For 25 years we've created quality innovative products for your kitchen. The AUTUMN 25 continues that vision by providing two ways to dispense oil as the need demands. Depress the top button to apply a uniform mist onto salads, steaks, a grill or pan, whatever you choose. Or, pour oil from a smooth flowing spout over food or to measure for cooking. Both options are accessed at the same time with a simple twist of the unique cover. AUTUMN 25 is the one bottle needed for all your oil applications.
