## A DUAL-FUNCTION OIL BOTTLE

DISWASHER SAFE

SPRAY & POUR

Pour to measure, spray to season, both with the press of a button. SPRAY & POUR is the way to go when one-stop convenience is what you need. Press the tab to open the lid, then pour. When you close it, a simple press of the second tab dispenses an even mist. A silicone spout keeps the drips away, and any extra oil from pouring returns to the bottle through special channels.

- Dual-function oil bottle.
- Easy to choose to spray or pour.
- Non-drip and no-waste design.
- Dishwasher safe.

# OIL BOTTLE SILICONE BRUSH

The usual method: Pour on the oil, then spread it with a separate brush or utensil. The better way: Use the ONE STEP! The silicone brush allows you to control the amount you need. When you're done, the excess oil drains back into the bottle. A special stopper in the twist-on lid keeps the oil from leaking.

- Soft silicone spreads oil evenly.
- Special lid keeps oil from leaking into the brush.
- Excess oil drains back into the bottle.

The problem with pouring honey is the last drip. It usually goes down the side of the jar. We've solved that problem with THE DRIPLESS, a compact jar with a unique spout. After you've poured the amount you want, tip the jar back a little and slide the spout closed. The tight fit of the slide squeezes off the last bit of honey, preventing it from dripping on the jar. Problem solved!

- Compact jar with comfortable handle.
- Slide mechanism seals the tip, stops the drip.
- A no-mess solution.

BBQ season is here, and oil is important for at least two reasons. One, you need to oil the grill surface so meat doesn't stick. Two, sometimes a little oil keeps the meat moist and flavorful. The easiest, most comfortable way to do both of those is with our new BBQ BUDDY mister. You don't need to brush on the oil, or get your hands too close to the grill. A couple of firm presses on the lid will give a delicious result. Also great for salads.

- Curved bottle design is easy to hold.
- Strong and accurate spray gives the right result.
- Black and stainless-steel lid.
